

**Kerr Club Prescription Savings Program
Program Terms and Conditions
Version: 2/18/2009**

1. Kerr Club Prescription Savings Program is a discount program ONLY

The Kerr Club Prescription Savings Program is not insurance, nor is it intended to substitute for insurance. Members are responsible for the full prescription price on claims filled under the program at the time of pickup. Kerr Drug will not submit any prescription amounts for claims filled using the Kerr Club Prescription Savings Program to a member's insurance benefit, therefore the member is still responsible for any deductible or out-of-pocket amounts required by their insurance. The Kerr Club Prescription Savings Program is accepted ONLY at Kerr Drug locations.

2. Prescription Pricing

General

The Kerr Club Prescription Savings program offers discounts on most medications in a majority of classes currently available in the market. Prices for medications are subject to fluctuate at any time based on market conditions.

\$12.99 for 90-Day Supply Medications

The \$12.99 price covers up to the specified quantity for each drug listed. Prices for quantities greater than the specified quantity will be prorated based on the \$12.99 price. The specified quantity for each listed drug is based on commonly prescribe dosages. Select items may be placed on the drug list that are priced at \$12.99 for a 30-Day (or 1 month) supply. Kerr Drug reserves the right to add, delete, or modify this list at anytime without notice.

3. Member savings on prescriptions

All advertised savings on prescriptions filled using the Kerr Club Prescription Savings Program are based on the comparison to Kerr Drug's "cash" price. The "cash" price is defined as the prescription price that is charged to customers with no prescription insurance or prescription discount program. The "cash" price for a medication can vary by Kerr Drug location.

4. Enrollment Fee

A one-time enrollment fee of \$5.00 is required for membership. The enrollment fee is the same for a single or family membership. The enrollment fee will be added to the price of the first prescription filled under the program.

5. \$15.00 Free Kerr Drug Gift Card Offer

For a limited time, a coupon for a Free \$15.00 Kerr Drug Gift Card will be included in the member's welcome packet that is mailed approximately 10-14 days after the first prescription is filled under the program and enrollment fee is paid. A limit of one coupon per household. Members must provide a complete and valid address during enrollment to receive welcome packet.

6. Using Kerr Club Prescription Savings Program for Pet Prescriptions.

Pet prescriptions are covered under the Kerr Club Prescription Savings Program provided that you have a valid prescription and the medication has a human equivalent. The member should ask their veterinarian if the pet's prescription can be filled at a retail pharmacy. Members should ask their Kerr Drug Pharmacist if their pet's medication is covered under the program.

7. Confidentiality

Member privacy is very important to Kerr Drug. Kerr Drug ensures that customer prescription information remains strictly confidential. Kerr Drug works with agents and affiliates, also bound to strict confidentiality, to perform certain functions under this program. As an added benefit of this program, Kerr Drug may send emails or direct mailings to members with offers or information related to pharmacy care and treatment.

The program benefits outlined above are subject to change without notice.
